O Buddha!

1,600 Japanese yen plus postage .

Conquering the Infernal King of Death 750 Japanese yen plus postage

One should never become desperate, even if one's disease is pronounced incurable.-- The book "Conquering the Infernal King of Death" begins with this enlightening message.

The author,Giryo Yanase, who had studied medical science in Kyoto University, was a physician of forty long years' practice in Nara Prefecture Japan. The first chapter clarifies how to enhance your innate healing powers, maintain and heal themselves. Yanase concludes his book by advocating the Buddhist medical practice and, in light of Truth, encourages us to transcend all the pains with which we become afflicted when standing on the verge of death.
